"Invest in a child's future and you will change tomorrow"

Our fundraisers and donations funds our community-based, community-supported and community-funded **Bexar County** and San Antonio local **D.A.R.E.** program. **D.A.R.E.** is a non-profit Community based program. **D.A.R.E.** does not receive any Federal, State or local government funding as it is a grassroots, Community based, supported and funded program that relies solely on fundraisers and donations from it's local citizens, civic groups, businesses and corporations for it's financial needs. Your generosity is why the **D.A.R.E.** program still exists today, where other programs are gone or were dropped when their federal, state or local government funding ran out. Even with **Bexar County** Sheriff's Office pulling its deputy/ **D.A.R.E.** Officer-instructors, **D.A.R.E.** is still alive, well and growing by the Project Partnership **D.A.R.E.** Officer-instructors.
